2-A. Limitation on eligibility.

[1997, c. 626, §3 (AFF); 1997, c. 626, §2 (RP) .]

4. Eligibility of individuals for state funds. Residents of the Indian territories or Houlton Band Trust Land are eligible for and entitled to receive any state grant, loan, unemployment compensation, medical or welfare benefit or other social service to the same extent as and subject to the same eligibility requirements applicable to other persons in the State as long as in computing the extent to which any person is entitled to receive any such funds any money received by such person from the United States within substantially the same period of time for which state funds are provided and for a program or purpose substantially similar to that funded by the State is deducted in computing any payment to be made by the State.

[2009, c. 384, Pt. A, §3 (AMD); 2009, c. 384, Pt. A, §4 (AFF) .]

1. Eligibility generally. The Passamaquoddy Tribe, the Penobscot Nation and the Houlton Band of Maliseet Indians shall be eligible for participation and entitled to receive benefits from the State under any state program which provides financial assistance to all municipalities as a matter of right. Such entitlement shall be determined using statutory criteria and formulas generally applicable to municipalities in the State. To the extent that any such program requires municipal financial participation as a condition of state funding, the share for the Passamaquoddy Tribe, the Penobscot Nation or the Houlton Band of Maliseet Indians may be raised through any source of revenue available to the respective tribe, nation or band, including but without limitation taxation to the extent authorized within its respective Indian territory. In the event that any applicable formula regarding distribution of moneys employs a factor for the municipal real property tax rate, and in the absence of such tax within the Indian territory, the formula applicable to such Indian territory shall be computed using the most current average equalized real property tax rate of all municipalities in the State as determined by the State Tax Assessor. In the event any such formula regarding distribution of moneys employs a factor representing municipal valuation, the valuation applicable to such Indian territory shall be determined by the State Tax Assessor in the manner generally provided by the laws of the State, provided, however, that property owned by or held in trust for either tribe or nation and used for governmental purposes shall be treated for purposes of valuation as like property owned by a municipality.

[2007, c. 697, Pt. C, §11 (AMD); 2007, c. 697, Pt. C, §14 (AFF) .]
